2067 TORRANCE BLVD. TORRANCE

Ask four women why they prefer our Meat Department and you'd probably get four different answers, each an excellent reason in itself. But, add them all together if you want the REAL reason—guaranteed satisfaction! We don't give one woman the right quality and another low prices, or honest weight, or choice cuts. All four are part of every sale we make and are responsible for the confidence women have in our meats.
